life in bloom
By Bridge Senior Living

Life in Bloom is Bridge Senior Living's signature lifestyle program for Assisted Living residents. Built around six playful and purposeful pillars thoughtfully designed to nurture body, mind, and spirit, transforming everyday moments into meaningful memories.

Brain Boost

Sparking creativity, encouraging lifelong learning, and keeping minds active — offering residents fresh ways to grow and learn.

Heart & Harmony

Providing comforting spaces and thoughtful moments for reflection, gratitude, and shared values.

Bites & Banter

Stirring up connection through delicious bites and lively conversation — from chef demos to themed tastings.

Art & Soul

Exploring creative expression through painting, music or dance. Residents express themselves emotionally through the arts.

Move & Groove

Encouraging physical vitality through fun fitness activities that build confidence and energy at every ability level.

Circle Up

Fostering a sense of purpose and community, from social hours to service projects. Residents connect deeply with each other and the world around them.

Life is meant to be vibrant and full of growth at every stage. Celebrating the uniqueness of each resident – helping them thrive through enriching experiences designed for connection, joy, and personal expression – it's more than a program, it's a way of life that shines.

Lilac Trace Memory Care

Making the most of every day.

Our Lilac Trace Memory Care is our research-backed approach to care and support for those living with Alzheimer's and other forms of dementia. Guided by the philosophy from the best-selling book, *Meet Me Where I Am*, we believe every resident's story deserves to be honored and celebrated. Through individualized care plans, our REACH for Life daily sequential programming, and dementia trained team, we create an environment where residents can thrive and each day is filled with purpose, dignity, and moments of joy.

Lilac Trace features may include:

- REACH for Life Daily Sequential Programming
- Daily on-site support of trained staff
- Nutrition management
- Assistance, including extra social and one-and-one time, to help each resident experience as much joy as possible every single day
- Emotional support using proven techniques individualized for each resident
- Family-centered consultation and involvement to help achieve consistently better outcomes

A place to call home, built around your needs.

Our Memory Care residences are available in studio and one-bedroom layouts, thoughtfully designed to support comfort, safety and personalized care.

It's what's on the inside that counts.

When choosing a senior living community, there are certain must-haves: spacious residences, compassionate associates, inviting meals and professional care whenever you need it.

At Somerby Dr. Phillips, we bring all those essentials together with something more. As a Bridge Senior Living community, we pair attentive service with luxury amenities and thoughtful hospitality to create an elevated experience that makes every day feel special

A feast for the body and the soul.

Great meals have a way of bringing people together. They're an opportunity to savor fresh flavors, share stories and enjoy the company of friends and family.

At Somerby Dr. Phillips, we make mealtime an experience worth looking forward to. Professional chefs prepare delicious meals, complemented by inviting surroundings, seasonal touches and gracious service.

Whether you're sharing a leisurely lunch or gathering over dinner, there's always something wonderful on the menu.

Every detail designed for your lifestyle.

Will you find outstanding amenities at Somerby Dr. Phillips? Of course. How about activities? More than space here will allow us to describe. But before we talk about those, let's talk about this: living with purpose.

At Somerby Dr. Phillips, we believe life is best when you stay active, engaged, and connected. Here, you'll have the opportunity to rekindle old hobbies, ignite new passions, and explore the activities you enjoy most — while also discovering fresh ways to grow. You can build stronger relationships, deepen your spirituality, expand your knowledge, and continue to thrive as the person you've always wanted to be.

Our residents truly love the experiences they find here, and we believe you will, too. We also think you'll love all the wonderful amenities and activities you'll find at Somerby Dr. Phillips.

More than a touch of useful technology.

While it may be great fun to reminisce about days gone by, few of us would care to return to using party-line telephones or adjusting rabbit ears on the television.

At Somerby Dr. Phillips, we don't just welcome the march of technological progress — we join in the innovation parade.

Senior Living App

At Somerby Dr. Phillips, we approach technology with a focus on communication and wellness. Our Senior Living App is a custom-designed tool for ensuring residents and families stay connected by sharing personal wellness schedules, photos, messages, and more.

Electronic Medical and Health Records

Electronic medical and health records help us monitor resident healthy records in a way that is readily accessible and efficiently managed. Plans are updated automatically, keeping our team up-to-date with residents' needs.

Bridge Senior Living makes all the difference.
